

KOREAN ORPHANS

Lee Ok Soon, Kim Sook Hyun, Jeong Sung Yul.

Two years ago the students of W.C.V.S. adopted three Korean orphans. Their names are Lee Ok Soon who has been adopted by the Commercials, Jean Seong Yul adopted by the Generals and Kim Sook Hym who has the Technicals as foster parents.

Lee is a girl of 12 who attends Dong Doo Chum Primary School. Her favourite subject is mathematics and she has good musical talents. In Korean Lee's name means "to be gentle". Both of her parents are dead and before we adopted her she lived with a relative.

Jean Seong Yul is also 12 years of age. He is one of the older boys at the orphanage and so, helps the younger children when he can. He is doing quite well at school and especially likes mathematics and English. His letters to us prove how well he has mastered our English language.

Kim Sook Hym is also a girl of 12 years. She, like the other children, lives at the Love and Faith Orphanage and enjoys hearing from her foster parents often.

At Christmas, each department bought and sent Christmas presents to its respective orphan. Individual Christmas cards were also sent to Korea.

This spring, as during previous springs, a school-wide drive will be held to raise funds for the following year's committee to use. Last year (with the co-operation of the Student Council) a total of \$300.00 was raised. Little do we realize what it would be like to live as our orphans live, and therefore we should do all we can to give our orphans our best love and care.

Korean Orphan Drive Nets Over \$650

From April 1 to April 10 the
students of W. C. V. S. have been
engaged in many varied activ-
ities. Object of these was to
raise \$700 to support the three
adopted Korean children.

On Saturday April 6, IOF
conducted a Car Wash at the
school and realized a profit of
about \$70. At the same time
12 A students offered their ser-
vices to home owners in Weston
and washed windows as well as
other spring odd jobs and made
about \$75.

With the activities not yet
completed the students have
raised about \$675 so there ap-
pears little doubt that they will
exceed their goal.

This brings the year's total
for charitable work to about
\$2300.
